## MICROBIAL INOCULANT FOR AGRICULTURE

A soil, plant and animal probiotic containing live beneficial microbiology for use all around the farm including livestock, aquaculture, and odor control.

### BENEFITS

- IMPROVES SEED GERMINATION
- INHIBITS HARMFUL MICROBES
- DETERS FUNGAL PROBLEMS
- EXPANDS ROOT GROWTH
- GROWTH ENHANCER
- ENHANCES NUTRIENT UPTAKE
- IMPROVES SOIL QUALITY
- COMPOST ACCELERATOR
- BREAKS DOWN ORGANIC MATERIAL

1 LITER 5 LITERS

Supports Chemical-Free Agriculture

### HOW TO USE

**OPEN CAP REGULARLY IF PRESSURE BUILDS.** Contains live microbial activity that produces gas. Dilute 1:20 with water. Apply every 7-14 days. Do not apply in full sun.

### INSTRUCTIONS

**DO NOT SHAKE. MIX GENTLY** before use. Mix only what you need for one application at a time. Do not store diluted solution more than 7 days.

#### SEED GERMINATION

Mix 10-20 ml with 1 liter of water and spray seeds to inoculate before planting.

#### TRANSPLANT AID

Mix 10-20 ml with 1 liter of water to make a solution and dip roots before planting.

#### FOLIAR SPRAY

Mix 30 ml with 1 liter of water. Spray stems and both sides of leaves.

#### SOIL DRENCH

Mix 30 ml with 1 liter of water and apply by the roots.

#### DRIP IRRIGATION

Apply after rain or water first to help soil absorb. Mix 3 L with 100 L of water per acre.

#### COMPOSTING

Mix 30 ml with 1 liter of water and spray the piles when turning to facilitate fermentation.

### INGREDIENTS

Lactobacillus serum	77%
Molasses	23%
TOTAL	100%
pH	3.5-3.8

### STORAGE

Do not refrigerate. Store in a cool place away from direct sunlight. Dispose of empty container according to local regulations.

### CAUTIONS

Use only as directed. Not for human consumption. In case of ingestion drink water. Consult a doctor if needed.

Generally miscible with other fertilizers. When in doubt, test on a small area first. Do not mix directly, always add to tank after the water.

No warranty is expressed nor implied. Timing and method of application, weather, watering practices, nature of soil, insects and other influencing factors are beyond the seller's control. Buyer assumes all risk of use, storage and handling not in accordance with the C.A.C.A. AND C.D.E.A.C.C.N

Remember, it is better to fertilize more often with less than less often with more.
