

SOIL MEDIC

SOIL AMENDMENT

REJUVENATE YOUR SOIL

Give your crops the thriving foundation they deserve with Soil Medic, a powerful blend of organic ingredients designed to revitalize your soil. Soil Medic offers a multitude of benefits for both your crops and your land:

ENHANCED SEED GERMINATION & TRANSPLANT SUCCESS: Provides essential nutrients and beneficial microbes for strong root development.

IMPROVED SOIL FERTILITY & STRUCTURE: Restores organic matter, promoting healthy soil tilth and nutrient retention.

EFFECTIVE SOIL REMEDIATION: Accelerates the breakdown of toxins and pollutants, fostering a healthier environment for your plants.

LONG-TERM SUSTAINABILITY: Promotes long-term soil health and fertility, reducing the need for chemical fertilizers.

SOIL MEDIC IS IDEAL FOR:

- 🌱 Farmers seeking to improve crop yields and overall plant health.
- 🌱 Those looking to restore degraded or depleted soils.
- 🌱 Organic growers seeking a natural and sustainable soil amendment.

SOIL MEDIC IS MADE WITH:

- 🌱 Well-aged manure-based compost rich in organic matter and beneficial microbes.
- 🌱 Nutrient-enriched biochar, enhancing soil fertility and moisture retention.
- 🌱 Coconut coir fiber, improving drainage and aeration for optimal root growth.

INSTRUCTIONS

For general use with all plants including container plants, vegetables, fruits, herbs, cannabis, shrubs, and trees as part of a well-managed fertility program.
